DrySnap™ Materials Estimate

DrySnap Under Deck Rain Carrying System

Note: From ledger wall to outer beam is one section. If there are multiple sections, calculate each section separately.

1 Section 1 of Deck (required) 20 ←
 * required fields 14 ←

Width (feet) *		20	←
Depth (feet) * dimension to beam		14	←
Square Footage		280	
Grid Rows		8	
Spacers/Joist		28	
using 12' or 16' pieces?		16	

Item Description	Berger Code	Units Needed	U/M
1/4" pitch spacers	37351	448	pc
2" joist brackets	37341	88	pc
12" trim cap	37331	4	pc
12" panel/channel combo	37324	-	pc
16" panel/channel combo	37325	31	pc
12" starter piece	37320	-	pc
16" starter piece	37321	1	pc
2 1/2" stainless steel deck screws	84178	64	pc
3" stainless steel deck screws	84179	64	pc
6 1/2" gutter screws with ferrules (optional)	84181	7	pc

2 Section 2 of Deck (if applicable) 20 ←
 * required fields 2 ←

Width (feet) *		20	←
Depth (feet) * dimension to beam		2	←
Square Footage		40	
Grid Rows		2	
Spacers/Joist		1	
using 12' or 16' pieces?		12	

Item Description	Berger Code	Units Needed	U/M
1/4" pitch spacers	37351	16	pc
2" joist brackets	37341	22	pc
12" trim cap	37331	2	pc
12" panel/channel combo	37324	31	pc
16" panel/channel combo	37325	-	pc
12" starter piece	37320	1	pc
16" starter piece	37321	-	pc
2 1/2" stainless steel deck screws	84178	16	pc
3" stainless steel deck screws	84179	16	pc
6 1/2" gutter screws with ferrules (optional)	84181	7	pc

3 Section 3 of Deck (if applicable) 0 ←
 * required fields 0 ←

Width (feet) *		0	←
Depth (feet) * dimension to beam		0	←
Square Footage		0	
Grid Rows		0	
Spacers/Joist		0	
using 12' or 16' pieces?		0	

Item Description	Berger Code	Units Needed	U/M
1/4" pitch spacers	37351	-	pc
2" joist brackets	37341	-	pc
12" trim cap	37331	-	pc
12" panel/channel combo	37324	-	pc
16" panel/channel combo	37325	-	pc
12" starter piece	37320	-	pc
16" starter piece	37321	-	pc
2 1/2" stainless steel deck screws	84178	-	pc
3" stainless steel deck screws	84179	-	pc
6 1/2" gutter screws with ferrules (optional)	84181	0	pc

4 TOTAL MATERIALS NEEDED

Item Description	Berger Code	Units Needed	U/M	Sold by the	Packaging
1/4" pitch spacers	37351	480	pc	bag (32 pcs)	32 pcs / bag, 384 pcs / box
2" joist brackets	37341	110	pc	piece	36 pcs / bag, 384 pcs / box
12" trim cap	37331	6	pc	piece	12 pcs / box
12" panel/channel combo	37324	31	pc	piece	12 pcs / box
16" panel/channel combo	37325	31	pc	piece	9 pcs / box
12" starter piece	37320	1	pc	piece	12 pcs / box
16" starter piece	37321	1	pc	piece	12 pcs / box
2 1/2" stainless steel deck screws	84178	2	bx	box (50 pcs)	box (50 pcs)
3" stainless steel deck screws	84179	2	bx	box (50 pcs)	box (50 pcs)
6 1/2" gutter screws with ferrules (optional)	84181	2	bx	box (10 pcs)	box (50 pcs)

** NOTES:

- This materials estimator based on traditional square decks.
- This materials estimator is based on joists spaced 16" on center.
 Variation of joists spacing will directly effect the number of pitch spacers and deck screws that will be required.
 For joists spaced 12" on center, multiply the total number of pitch spacers and deck screws estimated by: **x 1.33**
- THIS MATERIALS ESTIMATOR IS DESIGNED AS A TOOL TO ASSIST IN ESTIMATING DRYSNAP COMPONENTS ONLY.**
 CONTRACTORS SHOULD DETERMINE THE PROPER AMOUNT OF MATERIALS NEEDED FOR THE JOB.
 BERGER BUILDING PRODUCTS, INC. ASSUMES NO RESPONSIBILITY FOR ORDERING MATERIALS, (EITHER SHORT OR SURPLUS),
 OR ANY LOST LABOR TIME THAT RESULTS FROM INCORRECT ORDERING.
 IT IS ALWAYS A GOOD IDEA TO ORDER ADDITIONAL MATERIAL, ESPECIALLY WHEN WORKING WITH A PRODUCT FOR THE FIRST TIME.
- Gutter system sold separately. We recommend that gutter installers use the 6 1/2" gutter screws with ferrules for hanging gutter with the DrySnap system.
 These hangers allow the installer to hang the gutter closer to the panel than hidden hangers allow. Gutter does need to be pitched towards downspout.
- Please inspect your deck prior to installing DrySnap. Please follow proper safety steps when working on a deck.
 You may wish to reference the following organization to safety tips:
NADRA - North American Deck and Railing Association www.nadra.org 888.NADRA.4U (888.623.7248)
